

# The Great British Columbia ShakeOut

Annual Provincial-Wide Earthquake Drill

## Individuals and Families Get Ready to ShakeOut!

At 10:20 a.m. on October 20, 2011, thousands of British Columbians will “Drop, Cover, and Hold On” in *The Great British Columbia ShakeOut*, the largest earthquake drill in BC history! Everyone is encouraged to participate in the drill wherever you are at 10:20 a.m. on 10/20!

British Columbia is located in a seismically active region where a few thousand earthquakes occur each year in and adjacent to the province. The threat of a major earthquake in the province is real and all British Columbians must know how to be prepared.

The ShakeOut is our chance to practice how to protect ourselves, and for everyone to become prepared. The goal is to prevent disasters from becoming catastrophes.

Once you register, participation can be as simple as three easy steps:

1. Drop, Cover, and Hold On: **Drop** to the ground, take **Cover** under a table or desk, and **Hold On** to it as if a major earthquake were happening (stay down for at least 60 seconds). Practice now so that you will immediately protect yourself during an earthquake!
2. While still under the table, or wherever you are, look around and imagine what would happen in a major earthquake. What would fall on you or others? What would be damaged? What would life be like after?
3. Finally, you can practice what you will do after the shaking stops.

**Everyone can participate!** Individuals, families, businesses, schools, government agencies and organizations are all invited to register.
