Dear Sir:

Re: B.C. Earthquake Alliance – ShakeOut BC – January 26, 2011

I am writing on behalf of the Emergency Preparedness for Industry and Commerce Council (EPICC), in recognition of the ShakeOut BC campaign on January 26, 2011. Community awareness, education and exercises similar to ShakeOut BC provide acute awareness for business and community planning and preparedness for emergencies.

I wanted you to know that EPICC endorses the immeasurable success a program of this nature has in and certainly supports everyone working together in creating resilient communities. We have recommended our membership support and participate in ShakeOut BC and have included information in e-mail blasts and in EPICCgram, our monthly newsletter. If there is any other way in which we can assist please don't hesitate to let me know.

Sincerely,
